Subject: Protest Update #17

Minister, Clerk, DM,

Emerson – No change. DLT negotiators continue to negotiate opening the blockade. There is a church service planned at the protest site for 10:00. Negotiators will re-engage with the protest leaders after the service.

Winnipeg – There is no information that any further counter-protests will occur today at Broadway and Memorial. There is very recent information that suggests a “march” by Premier Stefanson’s home today. There is no time or details around this, only a short message on social media. Protective Services will have a presence at the Premier’s street today. WPS Special Events unit and the RCMP VIP section have been advised. SIB will continue to monitor and share the intelligence with police.

Airport – no change.

Other Protests – I have no specific information of other planned protests today.

Mike
